Educational Objectives:

This course is designed to:

1. Review the fundamentals of musculoskeletal imaging using MR.
2. Review the fundamentals of thoracic imaging including lung cancer screening, HRCT, and vascular diseases.
3. Review the essentials of commonly encountered diseases in the abdomen and pelvis.
4. Review the optimal use of single and multi-detector row CT techniques and protocols.
5. Review the optimal utilization of imaging modalities (US, CT, MR) for the evaluation of various clinical problems affecting the abdomen and pelvis.

Accreditation

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The NYU Post-Graduate Medical School designates that these continuing medical education activities meet the criteria for credit hours in Category I of the Physician’s Recognition Award of the American Medical Association.

Entire 4-Day Body Imaging Essentials Conference: 18.5 hours in Category I

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME standards regarding industry support of continuing medical education. Disclosure of any commercial relationships as well as discussion of off-label or investigational use of any drug, device or procedure by the faculty, will be made known at the symposium.

Registration Fees

We encourage you to register early for this program as it will be popular and rooms are limited at the Four Seasons Resort, Nevis.

Registration fees for this four-day meeting are $825 and include all lectures, course materials, continental breakfast and breaks, and a welcome reception for registrants, faculty and guests. It is easiest to register on-line by going to www.radcm.e.med.nyu.edu and click on Conferences and follow the instructions. You will receive an automatic emailed confirmation and receipt for your tuition. If you prefer to register by fax or mail, please see the Registration Form at the back of this brochure.

Reduced fees ($595) are available for physicists, residents, fellows, NYU School of Medicine alumni, technologists, and M.D.’s employed by the Department of Veterans Affairs Med Ctr and full-time active military personnel.

In case of questions, call 212 263-3936 or email Carmen.Escobar@med.nyu.edu or Janice.ford-benner@med.nyu.edu.
