Overview

CT/MRI: Head to Toe
A Three-Part Conference:
December 13–18, 2004

Target Audience
For radiologists seeking to update their knowledge and skills in general radiology, interventional radiology, and body imaging.

Statement of Need
Increasing demands mandate that radiologists revisit and continue to update their skills in different modalities in body and neuroimaging. Following the successful national tour, the CT/MRI: Head to Toe Conference is being offered in Costa Rica. The unique setting offers the opportunity for knowledge exchange and a post-meeting tour to Arenal Volcano area.

Course Description
The program is designed for those in academic hospitals, private practices, and hospitals of all sizes and types. The program is divided into three parts:

Part 1: Neuroradiology and Head and Neck
- Monday, December 13
- Focused on the latest in neuroradiology and head and neck imaging

Part 2: Body Imaging
- Tuesday, December 14
- Covers abdominal, thoracic, and musculoskeletal imaging

Part 3: Cardiac Imaging: CT/MRI/PET
- Thursday, December 16
- Focuses on state-of-the-art cardiac imaging techniques

Week-long Visiting MRI Fellowships are available to radiologists who desire to update their MRI interpretive skills. These are available by arrangement with 10-14 credits, with a cap of one or two weeks. For more information, please call (212) 263-3923.

For More Information, Contact:

Head to Toe

Overview

NYL CME Calendar

CT/MRI: Head to Toe

The course is designed for practicing clinicians, residents, and radiologists who desire to keep pace with the dynamic advancements in CT and MR imaging.

Course Description

Part 1: Neuroradiology: Head and Neck, Body Imaging, Cardiac Imaging

Part 2: Abdominal Imaging

Part 3: Musculoskeletal and Cardiac Imaging

Course Format

The program is divided into three parts, each consisting of five-and-a-half days of lecture, grand rounds, and workshops.

Educational Objectives

Upon completion of this course, registrants will be able to:

1. Apply new techniques for body CT and MR imaging.

2. Evaluate the newest imaging technologies for CT and MR.

3. Understand the practical aspects of general radiology and continue to update their skills in all-encompassing course on these modalities.

Target Audience

The course is intended for practicing clinicians, residents, and radiologists who desire to keep pace with the dynamic advancements in CT and MR imaging.

Course Format

The course is divided into three parts:

Part 1: Neuroradiology: Head and Neck, Body Imaging, Cardiac Imaging

Part 2: Abdominal Imaging

Part 3: Musculoskeletal and Cardiac Imaging

Program Information

CT/MRI: Head to Toe Conference 2004

Part I: Neuroimaging

Monday, December 13, 2004

8:00 a.m. - 9:00 a.m.
Registration and Continental Breakfast

9:00 a.m. - 11:30 a.m.
Neuroimaging I - 1: Three-day Workshop on Neuroimaging

11:30 a.m. - 12:30 p.m.
Continental Breakfast

12:30 p.m. - 2:30 p.m.
Neuroimaging I - 2: Three-day Workshop on Neuroimaging

2:30 p.m. - 4:45 p.m.
Neuroimaging I - 3: Three-day Workshop on Neuroimaging

Monday, December 14, 2004

8:00 a.m. - 9:00 a.m.
Continental Breakfast

9:00 a.m. - 11:30 a.m.
Neuroimaging II - 1: Three-day Workshop on Neuroimaging

11:30 a.m. - 12:30 p.m.
Continental Breakfast

12:30 p.m. - 2:30 p.m.
Neuroimaging II - 2: Three-day Workshop on Neuroimaging

2:30 p.m. - 4:45 p.m.
Neuroimaging II - 3: Three-day Workshop on Neuroimaging

Part II: Body Imaging

Monday, December 13, 2004

8:00 a.m. - 9:00 a.m.
Registration and Continental Breakfast

9:00 a.m. - 11:30 a.m.
Body Imaging I - 1: Three-day Workshop on Body Imaging

11:30 a.m. - 12:30 p.m.
Continental Breakfast

12:30 p.m. - 2:30 p.m.
Body Imaging I - 2: Three-day Workshop on Body Imaging

2:30 p.m. - 4:45 p.m.
Body Imaging I - 3: Three-day Workshop on Body Imaging

Monday, December 14, 2004

8:00 a.m. - 9:00 a.m.
Continental Breakfast

9:00 a.m. - 11:30 a.m.
Body Imaging II - 1: Three-day Workshop on Body Imaging

11:30 a.m. - 12:30 p.m.
Continental Breakfast

12:30 p.m. - 2:30 p.m.
Body Imaging II - 2: Three-day Workshop on Body Imaging

2:30 p.m. - 4:45 p.m.
Body Imaging II - 3: Three-day Workshop on Body Imaging

Part III: Cardiac Imaging

Monday, December 13, 2004

8:00 a.m. - 9:00 a.m.
Registration and Continental Breakfast

9:00 a.m. - 11:30 a.m.
Cardiac Imaging I - 1: Three-day Workshop on Cardiac Imaging

11:30 a.m. - 12:30 p.m.
Continental Breakfast

12:30 p.m. - 2:30 p.m.
Cardiac Imaging I - 2: Three-day Workshop on Cardiac Imaging

2:30 p.m. - 4:45 p.m.
Cardiac Imaging I - 3: Three-day Workshop on Cardiac Imaging

Monday, December 14, 2004

8:00 a.m. - 9:00 a.m.
Continental Breakfast

9:00 a.m. - 11:30 a.m.
Cardiac Imaging II - 1: Three-day Workshop on Cardiac Imaging

11:30 a.m. - 12:30 p.m.
Continental Breakfast

12:30 p.m. - 2:30 p.m.
Cardiac Imaging II - 2: Three-day Workshop on Cardiac Imaging

2:30 p.m. - 4:45 p.m.
Cardiac Imaging II - 3: Three-day Workshop on Cardiac Imaging

ACCREDITATION

The Post-Graduate Medical School of the New York University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor this educational activity for a maximum of 35.5 AMA credit hours. This activity is designated for 4.25 AMA credit hours of Category 1 credit toward the AMA Physicians Recognition Activity (P.R.A.) for maintenance of certification. It is also intended for 30.25 ACCME credits for the maintenance of certification, specialty specific. The Program Chairman will extend credit hours prorated according to the content of the individual presentation. Participants should register for the total program or for a single presentation. 

CT/MRI: Head to Toe workshop is designated for 38.25 AMA credit hours.

INTEGRAL BREAKFAST

At the Grand Hyatt New York, you will be impressed with the creativity and ambiance of this fine hotel, conveniently located in midtown Manhattan near Grand Central Terminal, the Grand Hyatt New York is the site of our meeting this year. To extend your stay, these rates will be in effect through the holiday-season rates.
