The Post-Graduate Medical School of the New York University School of Medicine is committed to improving patient care through continuing medical education.

Course Description
For CT, emphasis will be placed on multi-detector helical CT (MDCT), high-resolution chest CT and CT Angiography (CTA). State-of-the-Art MRI techniques to be discussed include peripheral magnetic resonance angiography (MRA), cardiac imaging and dynamic imaging of the female pelvis. Practical applications of these techniques will be emphasized. There will be a focus session on CT and Ultrasound evaluation of acute abdominal and pelvic conditions, including trauma. The course will conclude with a symposium on new frontiers in body imaging during which cutting-edge techniques will be discussed. Topics to be included are the current status of CT/PET for oncologic imaging, CTA of coronary arteries, new techniques in Body MRI and MDCT for lung cancer screening.

Target Audience
This course is designed for radiologists in academics or private practice.

Educational Objectives
After attending this course, the participant should be able to:
• Apply applications of MDCT in the diagnosis of abdominal and thoracic conditions, including trauma, inflammatory disorders and neoplasm
• Describe CT and ultrasound findings in acute abdominal and pelvic conditions
• Apply CT and MR techniques in the diagnosis of renal, adrenal, pancreatic and hepatic neoplasms
• Apply CT, ultrasound and MRI techniques in the diagnosis of disorders of the female pelvis
• Apply MR techniques in the evaluation of musculoskeletal disorders, including infection, marrow disorders and knee injuries
• Discuss cutting-edge techniques in cardiovascular imaging, including cardiac MRI, peripheral MRA and coronary CTA
• Assess current applications of CT/PET imaging in oncology

Accreditation Statement
The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The NYU Post-Graduate Medical School designates this educational activity for a maximum of 22.75 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those hours that he/she spent in the activity.

Disclosure Statement
The NYU Post-Graduate Medical School adheres to ACCME Standards regarding industry support of continuing medical education. Disclosure of any commercial relationships as well as discussion of off-label or investigational use of any drug, device or procedure by the faculty will be made known at the symposium.

Registration Information
The tuition for this five-day course is $875; $550 for residents/fellows, retirees, NYU alumni, V.A. employees, Canadian and non-U.S. physicians. On-line registration is the easiest and fastest way to register for this course. If you need to cancel this meeting, a $75 service charge will be made if written cancellation is made at least 30 or more days in advance and a $150 cancellation fee levied for cancellations made within 30 days.

Course Confirmation
Please be sure to provide your email address to receive a confirmation/receipt.

Special Needs
The Post-Graduate Medical School of the New York University School of Medicine, in compliance with the legal requirements of the Americans with Disabilities Act, requests any participant of this CME course who is in need of accommodation to submit written requests to our office at least one month prior to the course date.

Dietary Restrictions
Please indicate any dietary restrictions on the registration form or when you register on-line.

Special Topics/Questions
If there is a specific topic or question that would help fulfill your educational needs, please submit it on the registration form or on-line form.
