Discover the uncrowded and unspoiled Caribbean . . . the paradise known as Nevis. Here, amidst the rustle of gentle tradewinds through majestic palms, waits a land of brightly painted houses, 17th century stone churches and historic plantation homes. From Fort Charles to the 1778 Bath Hotel, a once famous spa, to the now quiet sugar mills, Nevis is a treasure waiting to be discovered. Recreation options on the island include nature and historical hikes, sailing, art and fashion shows, island tours, casino trip to St. Kitts, scuba diving, snorkeling, deep sea fishing and horseback riding.
