NYU RADIOLOGY
Saigon (Ho Chi Minh) – Danang
11-19 January, 2007

The gates have opened. Welcome to Vietnam.
The sublime beauty of the country’s natural settings, its rich cultural heritage, and the deep humanity of its people overwhelm visitors to Vietnam.

HOTEL AND AIR TRAVEL ARRANGEMENTS
Travel Planners, Inc. (TPI) is the appointed Travel Coordinator. Registration for the conference will be handled through NYU Radiology Department.

VIETNAM
Despite Vietnam’s ongoing economic liberalization and rapid development, this dignified country has managed to preserve its rich civilization and highly cultured society. Most visitors to Vietnam are overwhelmed by the sublime beauty of the country’s natural setting: the Red River Delta in the north, the Mekong Delta in the south and almost the entire coastal strip are a patchwork of brilliant green rice paddies tended by women in conical hats. There are divine beaches along the coast and soaring mountains inland, some of which are cloaked by dense, misty forests.

SAIGON (HO CHI MINH CITY)
Saigon (also called Ho Chi Minh City) is a bustling cosmopolitan city known for its markets, architecture and its people. Ho Chi Minh City never sleeps. Everywhere you look there is color and movement. Flocks of schoolgirls on bicycles, their traditional white “Ao Dai” tunics fluttering in the breeze; vendors engulfed in bright bubbles of balloons or pushing carts heaped with wares. The French influence is still apparent – from the broad tree-lined boulevards to the imposing villas and colonial architecture.

CARAVELLE HOTEL (*****)
Situated in the centre of the business, shopping and nightlife areas of Saigon and overlooking the historical Opera House, the 335 room Caravelle Hotel is one of the finest hotels in Vietnam. Guest rooms are equipped with deluxe amenities including telephone, satellite TV, in-room safes and availability for fax machines and computers. The hotel has five restaurants and bars serving a variety of international and Vietnamese cuisine including the famous ‘Saigon Bar’ where you can dine or have a relaxing refreshment while enjoying panoramic views of the city. Its extensive recreational facilities include a fully equipped fitness centre, Jacuzzi, sauna, and steam room, and outdoor swimming pool.
DANANG
Danang is a city with history. Situated on a peninsula between the Han River and the South China Seas, in a region of great cultural significance, it is a pleasant place to stay and a convenient base to explore the surrounding sights. Its riverside promenade and beaches both contribute to the relaxing atmosphere. The nearby ruins of My Son are the most extensive examples of the distinctive Cham architecture. In the vicinity of Danang is China Beach. Made famous by the American TV series, it is one of the most spectacular beaches of Vietnam, bordered by coconut palms.

FURAMA RESORT DANANG (*****)
The Furama Resort is a deluxe 5 star resort on a prime beachfront location overlooking the renowned "China Beach", just 15 minutes from the City Centre. The resort has combined French colonial style with traditional Vietnamese architecture. Its luxurious rooms and suites feature a spacious private balcony or terrace, with a superb view of the ocean, the tropical garden, or the freshwater swimming lagoon. The resort is famous for its unique theme parties on the white sandy beaches fronting the resort.

Hotel amenities include: swimming lagoon: whirlpools; lagoon style bar; waterfalls; Jacuzzi; terraced swimming pool overlooking China Beach; water sports including water-skiing, snorkeling, jet skis, laser boat sailing, and wind surfing; 4 lighted tennis courts with resident coach; golf driving range; mountain bicycles; kite-flying; and archery.

Tone up at the Health Club where professional instructors are on hand to assist you. The Health Club features a fitness center with Nautilus gym, sauna, steam bath, and massage. $45 PER PERSON
MINIMUM 25 PERSONS
My Son is the former capital of the Kingdom of Champa and the site of Vietnam’s most important Cham ruins. Begin with a drive through rolling countryside, passing through small towns. As you draw closer to My Son, the condition of the road begins to deteriorate, and the last of the drive often rutted and potholed. On arriving at My Son, you will cross a bamboo “Monkey Bridge” and transfer to a jeep for the last spectacular ride along a river gorge. Finally, you will walk through lush hillsides before emerging at the main site.

My Son was the Cham Kingdom’s intellectual and religious city. The towers date from the 9th through the 13th century. There were over 70 monuments and temples dedicated to Cham kings. It is considered on the level of Angkor in Cambodia. The site is undergoing slow restoration.

Not recommended for children or adults with health problems.

Angkor Wat, with its soaring towers and extraordinary bas-reliefs, is considered by many to be one of the most inspired and spectacular monuments ever conceived by the human mind.
