

# Bermuda Airlift

Bermuda has consistent year-round airlift of at least 10 flights and up to 16 from 8 or 9 different airlines servicing up to 12 cities in peak summer months and 8 during fall and winter months. **Bermuda's L.F. Wade International Airport** has one passenger terminal, one cargo terminal, eight aircraft stands and can support all aircraft sizes. It conveniently offers pre-clearing of U.S. customs so your trip home is hassle free. The L.F. Wade International Airport has received high marks in passenger satisfaction surveys, placing first among North American airports in the "Under 15 million passengers" category in 2003 and fourth world-wide in its size category, according to the global airport monitor report that year. Today, L.F. Wade International Airport offers service to destinations in Europe, Canada and the U.S., including travel hubs such as London, New York, Miami and Toronto.
