Course Description
This conference will offer a unique and innovative program including traditional lecture sessions and interactive case-based learning sessions. Lecture topics to be covered will include common sports specific injuries, nerve imaging, bone tumors, imaging of arthritis and cartilage, and pediatric imaging.

Learning Objectives
After participating in this activity, clinicians should be able to:
• Determine how best to modify imaging techniques and protocols for all areas of Musculoskeletal MRI including: hip, knee, shoulder and foot, for improved therapeutic decision making.
• Develop strategies to adapt their imaging techniques to the pediatric population and recognize common patterns of injury in this population.
• Evaluate the latest technology, focusing on magnetic resonance and the increasing importance of ultrasound in order to apply this technology to everyday practice.
• Describe safety factors as they pertain to the use of high field MRI in musculoskeletal imaging.

Interactive Case-Based Learning Sessions
Back by popular demand from last year, interspersed with the didactic lectures, we will be offering concentrated case-based learning sessions with smaller groups offering a more intimate learning environment. Areas to be covered will include: knee, hip, shoulder, elbow, hand and wrist, foot and ankle, muscle, tumors, and post-op imaging. Nationally recognized experts in the field will display interesting theme-based unknown cases which will be used to highlight important teaching points. Questions from the audience will be encouraged.

Hands-on MSK Ultrasound Workshop
Enrollment limited to 25 attendees
This hands-on workshop will include 4 rotating workstations divided by anatomic region (shoulder, elbow, hip, foot/ankle) and a 5th station dedicated to demonstration of interventional techniques. The instructors in each area will give a brief demonstration of the proper technique for evaluation of their assigned anatomy, followed by the opportunity for the participants to practice their newly acquired skills upon a volunteer or model. Participants at the interventional station will have the opportunity to practice needle guidance techniques utilizing ultrasound guidance.

Guest Speakers to Include:
Robert D. Boutin, MD; Christine B. Chung, MD; Mark D. Murphey, MD; William E. Palmer, MD; Mini N. Pathria, MD; Donald L. Resnick, MD; David A. Rubin, MD; Michael J. Tuite, MD; Lawrence M. White, MD
NYU Course Directors
Michael P. Recht, MD
Louis Marx Professor and Chairman
Department of Radiology

Leon D. Rybak, MD
Assistant Professor of Radiology
Vice Chair of Operations
Department of Radiology

Guest Faculty
Robert D. Boutin, MD
Professor of Clinical Radiology
UC Davis Health System
Sacramento, CA

Christine B. Chung, MD
Professor-In-Residence of Radiology
Director of the UCSD
Musculoskeletal Imaging Research Group
UC San Diego School of Medicine
San Diego, CA

Mark D. Murphey, MD, FACR
Physician-in-Chief
American Institute for Radiologic Pathology
American College of Radiology
Silver Spring, MD

William E. Palmer, MD
Director, Musculoskeletal Imaging and Intervention Division
Massachusetts General Hospital
Assistant Professor of Radiology
Harvard Medical School
Boston, MA

NYU Course Directors
Michael P. Recht, MD
Louis Marx Professor and Chairman
Department of Radiology

Leon D. Rybak, MD
Assistant Professor of Radiology
Vice Chair of Operations
Department of Radiology

Guest Faculty
Robert D. Boutin, MD
Professor of Clinical Radiology
UC Davis Health System
Sacramento, CA

Christine B. Chung, MD
Professor-In-Residence of Radiology
Director of the UCSD
Musculoskeletal Imaging Research Group
UC San Diego School of Medicine
San Diego, CA

Mark D. Murphey, MD, FACR
Physician-in-Chief
American Institute for Radiologic Pathology
American College of Radiology
Silver Spring, MD

William E. Palmer, MD
Director, Musculoskeletal Imaging and Intervention Division
Massachusetts General Hospital
Assistant Professor of Radiology
Harvard Medical School
Boston, MA

Mini N. Pathria, MD
Professor of Clinical Radiology
UCSD Medical Center, San Diego
San Diego, CA

Donald L. Resnick, MD
Professor of Radiology
Section Chief
Musculoskeletal Radiology
UCSD Medical Center, San Diego
San Diego, CA

David A. Rubin, MD
Professor of Radiology
Chief, Musculoskeletal Radiology Section
Washington University School of Medicine
St. Louis, MO

Michael J. Tuite, MD
Professor of Radiology
University of Wisconsin
School of Medicine and Public Health
Madison, WI

Lawrence M. White, MD
Head, Division of Musculoskeletal Imaging
Professor of Medical Imaging and Orthopedics
University of Toronto
Staff Radiologist, Musculoskeletal Imaging
Mt. Sinai Hospital
Toronto, Canada

NYU/HJD Faculty
Ronald S. Adler, PhD, MD
Professor of Radiology

Erin Alaia, MD
Assistant Professor of Radiology

Luis S. Beltran, MD
Associate Professor of Radiology

Jenny T. Bencardino, MD
Professor of Radiology and Orthopedic Surgery

Christopher Burke, MD
Assistant Professor of Radiology

Gregory I. Chang, MD
Associate Professor of Radiology
Chief, Musculoskeletal Imaging

Gina A. Ciavarra, MD
Assistant Professor of Radiology

Elisabeth Garwood, MD
Assistant Professor of Radiology

Christopher J. Gottsegen, MD
Assistant Professor of Radiology

Soteros Gyftopoulos, MD, MSc
Associate Professor of Radiology & Orthopedic Surgery

Renata La Rocca Vieira, MD
Assistant Professor of Radiology

Michael B. Mechlin, MD
Clinical Associate Professor of Radiology

Catherine N. Petchprapa, MD
Assistant Professor of Radiology

Zehava Sadka Rosenberg, MD
Professor of Radiology and Orthopedic Surgery

Mohammad M. Samim, MD
Assistant Professor of Radiology

Eric J. Strauss, MD
Associate Professor of Orthopedic Surgery

Accreditation Statement
The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
The NYU Post-Graduate Medical School designates this live activity for a maximum of 26.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- NYU’s 2018 Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries May 21–23, 2018 20.50 Credits
- Hands-on MSK Ultrasound Workshop 2018 May 24, 2018 5.75 Credits

Disclosure Statement
The NYU Post-Graduate Medical School adheres to ACCME accreditation requirements and policies, including the Standards for Commercial Support regarding industry support of continuing medical education. In order to resolve any identified conflicts of interest, disclosure information is provided during the planning process to ensure resolution of any identified conflicts. Disclosure of faculty and commercial relationships, as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty, will be fully noted at the meeting.

Target Audience
The target audience for this program will be radiologists, both in academic and private practice, seeking to increase their skills in musculoskeletal radiology, as well as orthopedists and physical medicine and rehabilitation practitioners interested in learning how imaging can best be incorporated into their practice. This course is also appropriate for trainees in these areas.

Statement of Need
NYU’s 2018 Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries offers a comprehensive and intensive 3-day program in musculoskeletal radiology. There has been tremendous growth in the field of radiology and in the area of musculoskeletal imaging in particular, making it mandatory for radiologists, both in academic and private practice settings, to continually update their skills and complement their knowledge base. Maintenance of certification also requires radiologists to stay current with new advances in the field. With the growth of radiology and the increasing importance it plays in the field of radiology and in the area of musculoskeletal imaging, it has also become imperative to stay current with new advances in the field. With the growth of radiology and the increasing importance it plays both in the diagnosis and treatment of diseases in the musculoskeletal system, it has also become imperative for practicing orthopedists and practitioners of physical medicine and rehabilitation to have a basic understanding of imaging and how it can best be used in service of the patient.
COURSE SCHEDULE

NYU’s 2018 Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries
NYU Langone Medical Center  |  550 1st Avenue (between 30th and 33rd Streets)

MONDAY, MAY 21
7:15 am  Registration and Breakfast
8:00 am  Welcome
Leon D. Rybak, MD
Michael P. Recht, MD
8:10 am  Important Anatomy of Knee
Donald L. Resnick, MD
8:40 am  MR Imaging of Menisci: Pearls and Pitfalls
Mini N. Pathria, MD
9:00 am  Bone Bruise Patterns: What They Tell Us About The Mechanism of Injury
Donald L. Resnick, MD
9:30 am  MRI of Small Joints: Tips and Tricks
David A. Rubin, MD
10:00 am  Q&A with Coffee
10:20 am  Important Anatomy of the Shoulder: Cuff and Labrum
Donald L. Resnick, MD
11:00 am  Rotator Cuff and Biceps: Pearls and Pitfalls
Michael J. Tuite, MD
11:20 am  Instability: What is New?
Soterios Gyftopoulos, MD
11:40 am  Sports Injuries of the Elbow: Pearls and Pitfalls
Lawrence M. White, MD
12:00 pm  Sports Injuries of the Wrist and Hand: Peals and Pitfalls
Catherine N. Petchprapa, MD
12:20 pm  US of the Upper Extremity: When and What
Christopher Burke, MD
12:40 pm  Q&A
12:50 pm  Lunch

AFTERNOON INTERACTIVE SESSIONS
2:00–3:00 pm  Session 1
3:10–4:10 pm  Session 2
4:20–5:20 pm  Session 3
5:20 pm  Adjourn

TUESDAY, MAY 22
8:00 am  SAM: Neuropathies of Upper Extremity
Zehava Sadka Rosenberg, MD
8:20 am  SAM: Neuropathies of Lower Extremity
Jenny T. Bencardino, MD
8:40 am  SAM: Incidental Lesions of the Bone: When to Follow Up?
Leon D. Rybak, MD
9:00 am  SAM: Incidental Extra-articular Soft Tissue Masses: When Should I Be Worried?
Mark D. Murphey, MD, FACR
9:20 am  SAM: Incidental Extra-articular Soft Tissue Masses: Junk in the Joint
Leon D. Rybak, MD
9:40 am  SAM: Cartilage Repair: What Does the Orthopedic Surgeon Need to Know?
Michael P. Recht, MD
Eric J. Strauss, MD
10:10 am  Q&A with Coffee
10:30 am  Advanced Imaging of Arthiritis: What is New?
Christine B. Chung, MD
10:50 am  MR of the Mid and Forefoot: Pearls and Pitfalls
Zehava Sadka Rosenberg, MD
11:10 am  Imaging of Stress Injuries of the Lower Extremities
William E. Palmer, MD
11:30 am  US of the Lower Extremity: Diagnostic and Interventional
Ronald S. Adler, PhD, MD
11:50 am  MR of Muscle and Muscle Injury: State of the Art
Robert D. Boutin, MD
12:10 pm  MR Imaging of Athletic Pubalgia: What Do I Really Need To Know
Luis S. Beltran, MD
12:30 pm  Q&A
12:40 pm  Lunch

AFTERNOON INTERACTIVE SESSIONS
1:45–2:45 pm  Session 4
2:50–3:50 pm  Session 5
3:55–4:55 pm  Session 6
4:55 pm  Adjourn

WEDNESDAY, MAY 23
9:00–10:00 am  Session 7
10:10–11:10 am  Session 8
11:20–12:20 pm  Session 9
12:20 pm  Lunch

RAPID FIRE
1:30 pm  Greater Trochanteric Pain Syndrome: What are the Imaging Findings?
Elisabeth Garwood, MD
1:45 pm  Heel Pain: What Do I Look For?
Eria Alaia, MD
2:00 pm  MR imaging of the AC Joint: Pearls and Pitfalls
Renata La Rocca Vieira, MD
2:15 pm  Impingement Syndromes Around the Hip
Gina A. Ciavarra, MD
2:30 pm  MR imaging of Pec Tears
Mohammad M. Samim, MD
2:45 pm  Frozen Shoulder
Gregory, I. Chang, MD
3:00 pm  Fat pad Impingement Syndromes Around the Knee: Are They Real?
Michael B. Mechlin, MD
3:15 pm  MR of the SI joints and Sacrum: What Do I Need to Know?
Luis S. Beltran, MD
3:30 pm  Questions and Closing Remarks
3:45 pm  Adjourn

INTERACTIVE CASE-BASED LEARNING SESSIONS
Back by popular demand, interspersed with the didactic lectures, we will be offering concentrated case-based learning sessions with smaller groups, offering a more intimate learning environment. All attendees will have the opportunity to attend 9 hours of lectures from 9 experts in areas that include: knee, hip, shoulder, elbow, hand and wrist, foot and ankle, muscle, tumors, and post-op imaging. Nationally recognized experts in the field will display interesting theme-based unknown cases which will be used to highlight important teaching points. Questions from the audience will be encouraged.

INTERACTIVE SESSION TEACHERS
Boutin  Elbow
Chung  Hand/Wrist
Gyftopoulos  Hip
Murphey  Tumors
Rubin  Foot and Ankle
Palmer  Post-Op
Pathria  Muscle
Tuite  Shoulder
White  Knee
Hands-on MSK Ultrasound
THURSDAY, MAY 24, 2018

8:30 am  Registration & Breakfast
8:55 am  Welcome — Ronald S. Adler, PhD, MD
9:00 am  Didactic Lectures
9:50 am  Coffee Break
10:00 am Demo & Hands on Session 1
10:55 am Break
11:00 am Demo & Hands on Session 2
11:55 am Lunch
12:30 pm Demo & Hands on Session 3
1:25 pm Break
1:30 pm Demo & Hands on Session 4
2:25 pm Break
2:30 pm Demo & Hands on Session 5
3:25 pm Questions
3:45 pm Adjourn

WORKSHOP PRESENTERS
Ronald S. Adler, PhD, MD
Christopher Burke, MD
Elisabeth Garwood, MD
Christopher Gottsegen, MD
Mohammad M. Samim, MD

Meeting Website
http://www.med.nyu.edu/courses/cme/us18

Meeting Location
NYU’s 2018 Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries
NYU Langone Medical Center (Farkas Auditorium)
550 1st Avenue (between 30th and 33rd Streets)
Hands-on MSK Ultrasound Workshop 2018
Bellevue Hospital — NYSIM Center (D Building, 3rd Floor)
462 First Avenue, between 27th and 28th Streets

Registration Information
Online registration is fast and easy. Go to www.radcmemed.nyu.edu or fax the registration page from this brochure.

Special Needs
The Post-Graduate Medical School of the New York University School of Medicine, in compliance with the legal requirements of the Americans with Disabilities Act, requests any participant of this CME course who is in need of accommodation to submit written requests to our office at least one month prior to the course date.

Hotel Information
A block of rooms has been reserved at the Affinia Shelburne.

Affinia Shelburne
www.affinia.com  •  303 Lexington Avenue
(12 minute walk to NYU)
The Affinia Shelburne combines a high-tech and health-conscious concept to help travelers stay productive and fit with stylish, modern suites and an on-site fitness spa. Conveniently located in central Murray Hill, the Dumont offers 242 spacious suites featuring executive workspace with modern amenities and technology as well as urban kitchen w/pantry. The hotel’s health focus is emphasized by amenities such as a 3-choice pillow menu, a Fitness Concierge, in-room Fit Kits, and the Oasis Day Spa.

RATES
$298/night — Studio Deluxe Suite (1 or 2 Queens)
$318/night — One Bedroom Suite

Room Rates Include:
• Complimentary guest-room Internet Access
• Complimentary ‘Wine Hour’ 5:00 pm to 6:00 pm every day, served in the lobby living-room

RESERVATIONS
• Online: Please visit www.radcmemed.nyu.edu
• Call 1-866-233-4642 and mention NYU Sports Medicine 2018 Conference
• Email: reservations@affinia.com
Indicate NYU Sports Medicine 2018 Conference to guarantee the special group rate
• Cut-off date for accepting reservations at this rate is Friday, April 23, 2018
(Book early as rooms may sell out prior to this date)
NYU’s 2018
Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries
May 21–23, 2018
Optional Workshop: Hands-on MSK Ultrasound 2018 | Thursday, May 24, 2018

Please Print Clearly

Registration Fees
Please check appropriate boxes below

Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries
May 21–23, 2018
Full Fee (Physicians) □ $1025 per attendee
Discounted Fee* (see below for qualifications) □ $825 per attendee

Hands-on MSK Ultrasound Workshop 2018
May 24, 2018
□ $575 per attendee

Methods of Payment
☐ Check in U.S. Dollars made payable to NYU Department of Radiology
☐ Credit Card Payment (see below)

Payment by Credit Card
Bill to: □ Visa  □ Mastercard  □ American Express

CARD MEMBER’S NAME (PRINT CAREFULLY)
CARD #
EXPIRATION DATE (MONTH/YEAR) #
AMOUNT TO BE CHARGED: $ ___

SIGNATURE (REQUIRED TO PROCESS)
Fax Form to: (212) 263-3959

REFUND POLICY
• Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries
An administrative charge of $75 will be assessed for cancellations made in writing one month or more prior to the start of a course. Refunds will be possible after this date subject to a $150 fee.

• Hands-on MSK Ultrasound Workshop 2018
If you cancel your enrollment and we are able to fill your place with another physician, you will be charged a $150 administrative fee. Cancellations will not be possible after April 26, 2018. This is a strict cancellation penalty due to the popularity of this topic and the limited number of enrollees possible.

COURSE CANCELLATION POLICY
In the unusual circumstance that this course is cancelled, two weeks’ notice will be provided and full tuition refunded. The NYU Post-Graduate Medical School is not responsible for any airfare, hotel or other costs incurred.

EDUCATIONAL NEEDS
If there is a specific question or topic relating to this course, please submit it on the registration form or on the website when registering online.

Where to Mail or Fax/Contact Info:
Marisa Costello
NYU Langone Medical Center
Department of Radiology
462 First Avenue, OBH, C&D, 1st Floor Room 4
New York, NY 10016
Fax: 212-263-3959 | Phone: 212-263-0724
We hope you’ll plan on joining us at one of these CME courses.

2018

JAN 22–26 NYU’s Clinical Imaging Symposium in Oahu at Ko Olina
Four Seasons Oahu at Ko Olina, Oahu, Hawaii

MAR 19–23 NYU’s 16th Annual Alpine Imaging Symposium in Snowmass
Viceroy Snowmass, Snowmass, CO

MAY 21–23 NYU’s Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries 2018
NYU Langone Medical Center, New York, NY

MAY 24 NYU’s Hands-On MSK Ultrasound Workshop 2018
NYSIM Center, Bellevue Hospital, New York, NY

JUL 16–20 NYU’s Summer Radiology Symposium at the Sagamore
The Sagamore Resort, Lake George, NY

AUG 6–10 NYU’s Clinical Imaging Symposium in Banff
The Fairmont Banff Springs, Banff, Canada

OCT 1–5 NYU’s Fall Radiology Symposium in Santa Barbara
Four Seasons Resort The Biltmore, Santa Barbara, CA

DEC 17–21 NYU’s 37th Annual Head to Toe Imaging Conference
New York Hilton Midtown, New York, NY

2019

JAN 21–25 NYU’s Clinical Imaging Symposium in Costa Rica
Four Seasons Resort Costa Rica, Guanacaste, Costa Rica

Advanced Imaging of the Musculoskeletal System with an Emphasis on Sports Injuries
May 21–23, 2018

Optional Hands-on MSK Ultrasound Workshop 2018
May 24, 2018

NYU’s 2018

ADVANCED IMAGING OF THE MUSCULOSKELETAL SYSTEM
WITH AN EMPHASIS ON SPORTS INJURIES

May 21–23, 2018

Provided by the NYU Post-Graduate Medical School

NYU Langone Health

BACK BY POPULAR DEMAND!
Interactive Case-Based Learning Sessions
Nationally recognized experts in the field will display interesting theme-based unknown cases which will be used to highlight important teaching points.
