The Department of Radiology Presents:

NYU’s Fall Radiology Symposium in Santa Barbara

October 1–5, 2018

Statement of Need/Course Description
This course will concentrate on updates in Abdominal, Emergency, Musculoskeletal, Neuroradiology and Breast Imaging. All of the lectures will address scanning parameters and how scanning protocols can be optimized in order to minimize the radiation exposure of patients, while maintaining diagnostic quality examinations. Clinical radiologists must stay up-to-date on the latest imaging techniques and the program will review the latest topics including: abdominal trauma imaging, post-operative knee imaging, CNS tumor imaging, breast tomosynthesis and thyroid imaging. The expertise presented in this program is meant to be integrated into the participants’ practices in an effort to improve their current knowledge, imaging skills and ultimately improve patient care.

For more information and to register, please call 212-263-3936 or visit: http://www.med.nyu.edu/courses/cme/sb2018

NYU Course Director
Mark P. Bernstein, MD
Clinical Associate Professor

NYU Faculty
Maria J. Borja, MD
Assistant Professor of Radiology

Gregory I. Chang, MD
Associate Professor of Radiology
Section Chief Musculoskeletal Imaging

Kira Melamud, MD
Assistant Professor of Radiology

Hildegard K. Toth, MD
Associate Professor of Radiology
Chief Breast Imaging

Lecture Topics to Include:
Emergency, Breast, Neuroradiology, Musculoskeletal & Abdominal Imaging

FOUR SEASONS RESORT THE BILTMORE, SANTA BARBARA A legend since opening in 1927, Four Seasons Resort The Biltmore Santa Barbara is a classic Spanish Colonial estate infused with modern luxury. With direct access to Butterfly Beach, the luxurious hotel accommodations are set amidst 22 acres of lush gardens woven with sun-dappled, red-brick pathways. Decorated with Spanish colonial influence, many accommodations offer a fireplace and vaulted ceiling, and many open to a furnished patio or balcony. Each offers individual charm defined by glorious views of the mountains or ocean, the gardens or the courtyard swimming pool. Located in Montecito, an exclusive neighborhood with restaurants and shops, the Resort offers a luxurious spa and fitness center, two outdoor pools, Kids for All Seasons program, tennis and golf nearby.

SANTA BARBARA, CALIFORNIA
Nestled on the California coast between the Pacific Ocean and the Santa Ynez Mountains (90 miles north of LA), Santa Barbara is graced by sunny skies and a mild year-round climate - earning its reputation as the American Riviera. Epitomizing the casually sophisticated California lifestyle, Santa Barbara is among America’s most coveted destinations with beautiful grounds and oceanfront views. Indulge in anything from touring local wineries, to surfing to enjoying local art and architecture.

Target Audience
This course is designed for practicing clinical radiologists in academics or private practice.

Accreditation Statement
The NYU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
The NYU School of Medicine designates this live activity for a maximum of 21 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Monday, October 1st

**MSK & Breast**

7:00 am  Breakfast & Registration
7:40 am  Welcome
7:45 am  Ankle Joint and Impingement
          Gregory I. Chang, MD
8:30 am  High Risk Breast Lesions: Management Update
          Hildegard K. Toth, MD
9:15 am  Shoulder Injury SAM Part 1
          Gregory I. Chang, MD
10:00 am  Q&A with Coffee
10:15 am  Tomosynthesis: Pearls and Pitfalls
          Hildegard K. Toth, MD
11:00 am  Thyroid Imaging
          Kira Melamud, MD
11:15 am  Interesting Cases: Breast
          Maria J. Borja, MD
12:30 pm  Questions
1:00 pm  Adjourn

**Tuesday, October 2nd**

**Breast, Abdominal & Neuro**

7:15 am  Breakfast
7:45 am  Breast MRI: Current Utilization Strategies SAM Part 1
          Hildegard K. Toth, MD
8:30 am  Focal Hepatic Lesions
          Kira Melamud, MD
9:15 am  Skull Base- Anatomy and Pathology
          Maria J. Borja, MD
10:00 am  Q&A with Coffee
10:15 am  Imaging the Pregnant Trauma Patient
          Mark P. Bernstein, MD
11:00 am  MR of the Female Pelvis SAM Part 2
          Kira Melamud, MD

Thursday, October 4th

**ER, Abdominal & MSK**

7:15 am  Breakfast
7:45 am  Imaging Cervical Spine Trauma: Pearls & Pitfalls
          Mark P. Bernstein, MD
8:00 am  MRI of the Prostate SAM Part 1
          Kira Melamud, MD
9:15 am  Review of the Elbow
          Gregory I. Chang, MD
10:00 am  Q&A with Coffee
10:15 am  Imaging the Pregnant Trauma Patient
          Mark P. Bernstein, MD
11:00 am  MR of the Female Pelvis SAM Part 2
          Kira Melamud, MD

Friday, October 5th

**Neuro & ER**

7:15 am  Breakfast
7:45 am  CNS Tumor Imaging—Brain SAM Part 1
          Maria J. Borja, MD
8:30 am  WBCT for the Multi-Trauma Patient: Where Are We Now? Part 1
          Mark P. Bernstein, MD
9:15 am  CNS Tumor Imaging—Spine SAM Part 2
          Maria J. Borja, MD
10:00 am  Q&A with Coffee
10:15 am  State-of-the-Art Abdominal Trauma Imaging SAM Part 2
          Mark P. Bernstein, MD
11:00 am  Pediatric Brain Malformations
          Maria J. Borja, MD
11:45 am  Interesting Cases: ER
          Mark P. Bernstein, MD
12:30 pm  Questions
1:00 pm  Adjourn

SAM (Self Assessment Module) Earn **7.5 SAM Credits** in this program — pending approval from the ABR.
