The Department of Radiology Presents:

NYU’s Summer Radiology Symposium on the Cape

Provided by the NYU School of Medicine

June 24–28, 2019

Statement of Need/Course Description

This course is designed to demonstrate how to accurately identify imaging findings that narrow the differential diagnosis for Thoracic, Cardiac, Abdominal, Musculoskeletal, Breast and Pediatric Imaging in order to ensure optimal patient care. Maintenance of certification requires continued review of essential imaging techniques in all areas of radiology. While addressing up-to-date imaging protocols in these areas, this course will cover topics including: post-op arthroplasty of the knee/hip/shoulder, pediatric imaging of vascular anomalies and syndromes, breast MR, diffusion-weighted imaging in the abdomen/pelvis and imaging of the airways. The course will help radiologists and clinicians optimize imaging management in terms of appropriate selection of imaging parameters, sequences and exam selection, tailored to specific diagnoses or clinical conditions.

For more information and to register, please call 212-263-3936 or visit: http://www.med.nyu.edu/courses/cme/cape19

NYU Course Director
Leon D. Rybak, MD
Associate Professor of Radiology
Vice Chair of Operations, Department of Radiology

NYU Faculty

Hersh Chandarana, MD, MBA
Associate Professor of Radiology
Associate Chair for Clinical and Translational Research

Laura Heacock, MD
Clinical Assistant Professor of Radiology

Shalee Lala, MD
Assistant Professor of Radiology

Larry S. Latson, Jr, MD
Assistant Professor of Radiology

Lecture Topics to Include:
Musculoskeletal, Abdominal, Breast, Cardiothoracic & Pediatric Imaging

WEQUASSET RESORT AND GOLF CLUB
The finest resort on Cape Cod, The Wequassett sits prominently atop an east-facing rise affording breathtaking views of Pleasant Bay and Round Cove. Nestled on the elbow of Cape Cod, this meticulously landscaped hideaway features lavish guest rooms and suites, four acclaimed restaurants, two magnificent pools, two extraordinary beaches, boating and water sports, four Har Tru tennis courts and eighteen holes of exclusive championship golf. With whitewashed buildings and tidy clapboard cottages nestled into 27 acres of picture-perfect gardens, sun-dappled lanes, salt marshes and woodlands, the resort is truly a secluded paradise for the discriminating traveler. Guests will enjoy the stunning waterfront area surrounding the main inn. Wequassett is proud to be Cape Cod’s only Five Star hotel as well as only member of Preferred Hotels & Resorts Worldwide, Inc.

CHATHAM, CAPE COD
The Wequassett is located on the elbow of Cape Cod in Chatham, Massachusetts, and is easily accessible from New York, Boston, Hartford, Providence and Hyannis airports. There are endless ways to explore Chatham including: boating/sailing, fishing, bicycling, golfing, seal cruises, museums, exploring beaches, nature trails and scenic landmarks, whale watching, enjoying restaurants and shops in the Village of Chatham and more!

Target Audience
This course is designed for practicing clinical radiologists in academics or private practice.

Accreditation Statement
The NYU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
The NYU School of Medicine designates this live activity for a maximum of 21 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
NYU’s Summer Radiology Symposium on the Cape  
June 24–28, 2019

Monday, June 24, 2019—MSK & Peds

7:00 am  Breakfast & Registration
7:40 am  Welcome
Leon D. Rybak, MD
7:45 am  Post Op Arthroplasty—Knee, Hip and Shoulder
Leon D. Rybak, MD
8:30 am  Peds SAM Part 1
Imaging of Vascular Anomalies and Syndromes
Shalee Lala, MD
9:15 am  MSK SAM Part 1
Elbow MRI
Leon D. Rybak, MD
10:00 am  Q&A with Coffee
10:15 am  MSK SAM Part 2
Ankle MRI
Leon D. Rybak, MD
11:00 am  Breast SAM Part 1
Breast MRI—Updated Guidelines and Problem-Solving
Laura Heacock, MD
11:45 am  Interesting Cases—Pediatric
Shalee Lala, MD
12:30 pm  Questions
1:00 pm  Adjourn

Tuesday, June 25, 2019—Peds, Breast & Body

7:15 am  Breakfast
7:45 am  Pediatric Abdominal Emergencies
Shalee Lala, MD
8:30 am  Breast SAM Part 1
Management of High Risk Breast Lesions
Laura Heacock, MD
9:15 am  Breast SAM Part 1
Breast MRI—Updated Guidelines and Problem-Solving
Laura Heacock, MD
10:00 am  Q&A with Coffee
10:15 am  Breast SAM Part 2
MRCP and Hepatobiliary Contrast Agent
Hersh Chandarana, MD
11:00 am  Imaging of the Airways:
From the Trachea to the Alveoli
Larry S. Latson, Jr, MD
11:45 am  Interesting Cases—MSK
Leon D. Rybak, MD
12:30 pm  Questions
1:00 pm  Adjourn

Wednesday, June 26, 2019

No Formal Program

Thursday, June 27, 2019—Abdominal & Cardiothoracic

7:15 am  Breakfast
7:45 am  DWI in the Abdomen and Pelvis: How and Why
Hersh Chandarana, MD
8:30 am  Imaging of the Airways:
From the Trachea to the Alveoli
Hersh Chandarana, MD
9:15 am  Abdominal SAM Part 2
MRCP and Hepatobiliary Contrast Agent
Larry S. Latson, Jr, MD
10:00 am  Q&A with Coffee
10:15 am  Future Directions in Breast Imaging: Abbreviated MRI and Artificial Intelligence
Larry S. Latson, Jr, MD
11:00 am  Cardiothoracic SAM Part 2
Not Just for the Kids Anymore: CT and MRI of Adult Congenital Heart Disease
Larry S. Latson, Jr, MD
11:45 am  Interesting Cases—MSK
Leon D. Rybak, MD
12:30 pm  Questions
1:00 pm  Adjourn

Friday, June 28, 2019—Breast, Cardiothoracic & MSK

7:15 am  Breakfast
7:45 am  Five Abdominopelvic Applications to Grow Your Business
Hersh Chandarana, MD
11:00 am  Imaging and Reporting of Renal Mass
Hersh Chandarana, MD
11:45 am  Interesting Cases—Cardiothoracic
Larry S. Latson, Jr, MD
12:30 pm  Questions
1:00 pm  Adjourn
