Target Audience

Radiologists who are looking for a very practical, clinically oriented radiology course.

Course Description

This five-day conference is designed for the radiologist in clinical practice. It will focus on review of relevant disease processes affecting the body (primarily chest, abdomen and pelvis) as well as recent advances in Multidetector CT, MRI, US and PET/CT imaging. Course participants will have ample opportunity to interact directly with the faculty in question-and-answer sessions and will be encouraged to discuss specific issues that they consider interesting or controversial.

Educational Objectives

Upon completion of this course, participants will be able to apply new techniques in helical CT, MR, US and PET/CT to optimize detection and characterization of common diseases encountered in the chest, abdomen and pelvis.

Registration Information

Registration fees are $850 per attendee ($595 for NYU alumni, residents and fellows, retirees, employees of the V.A. Medical Center and Canadian physicians) and include coffee breaks, a welcome reception for the entire family, and course materials. A full American breakfast buffet is included with your hotel package at the Black Point Inn.

The best way is to register on-line by going to our web site at www.radcme.med.nyu.edu. Have your credit card handy. You will receive a confirmation/receipt via e-mail within one week of sending it. If you prefer to pay by check, go on-line to www.radcme.med.nyu.edu and print out the Registration Form and mail to: Carmen Escobar, NYU Medical Center, 560 1st Avenue, TCH-HW-231, New York, NY 10016-4998.

In case of questions, call Carmen Escobar at 212-263-3936 or e-mail her at carmen.escobar@med.nyu.edu.

Accreditation

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The NYU Post-Graduate Medical School designates this continuing medical education activity for xx credit hours in Category 1 of the Physicians Recognition Award of the American Medical Association.

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME standards regarding industry support of continuing medical education. Disclosure of any commercial relationships as well as discussion of off label or investigational use of any drug, device or procedure by the faculty, will be made known at the symposium.
