MANAGEMENT OF
Prenatally Diagnosed Thoracic Lesions
IN INFANTS AND CHILDREN

COURSE DIRECTOR
Keith A. Kuenzler, MD
Assistant Professor, Department of Surgery
NYU School of Medicine

CONTENT PLANNERS
Jason C. Fisher, MD
Tracy L. McTiernan, MA, CPNP
Mattia Gilmartin, PhD, RN

COURSE DESCRIPTION
Certain thoracic lesions in infants and children can be diagnosed prenatally, and are ideally managed by a multidisciplinary team of specialists for mother and baby. These thoracic anomalies include: congenital pulmonary airway malformation (CPAM), bronchogenic cyst, congenital diaphragmatic hernia (CDH) and esophageal atresia with tracheoesophageal fistula (EA-TEF). Each of these presents unique medical and surgical challenges.

Featuring experts from Hassenfeld Children’s Hospital of New York at NYU Langone, this one day course will cover prenatal diagnoses, imaging techniques, prenatal counseling, delivery options, infant airway and ventilator management, extracorporeal membrane oxygenation (ECMO), minimally invasive surgery, and ongoing multimodal pulmonary therapy.

The perinatal management of newborns with these thoracic malformations is enhanced by careful planning and cooperation among subspecialists for both mother and baby. Our final panel discussion will describe how this team is assembled and best coordinated with a “family centered” approach, which allows expectant parents to be active in the prenatal, multidisciplinary planning sessions, as well as to have immediate and maximal contact with their newborn, even if urgent surgery is required.

TARGET AUDIENCE
This CME course will be of particular interest to obstetricians, perinatologists, neonatologists, pediatricians, pediatric pulmonologists, pediatric surgeons, nurses and respiratory therapists.

CME ACCREDITATION STATEMENT
The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
The NYU Post-Graduate Medical School designates this live activity for a maximum of 6.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING CREDITS
This program has been approved for 7.25 continuing nursing education contact hours. The NYU Meyers College of Nursing Center for Continuing Education in Nursing is accredited as a provider of continuing nursing education by the American Nurses’ Credentialing Center’s Commission on Accreditation.

PROVIDED BY
NYU Post-Graduate Medical School

COURSE FEES
Full: $299
Reduced*: $199

* Reduced applies to: NYU Langone/Lutheran Faculty & Staff, NYU School of Medicine Alumni, Former Residents & Fellows, Physicians-in-Training, Non-Physician Healthcare Professionals, Physicians employed by the Department of Veterans Affairs Medical Center

REGISTRATION
Visit our secure website med.nyu.edu/cme/thoracic to submit online registration.

REFUND POLICY
In order to request a refund, you must email maria.mercado@nyumc.org no later than 14 days prior to the first day of the course. An administrative fee of $75 will be deducted from your refund. Cancellations or no-shows after this date are not eligible for a refund.

COURSE CANCELLATION POLICY
In the unusual circumstance that this course is cancelled, two weeks’ notice will be given and tuition will be refunded in full. The NYU Post-Graduate Medical School is not responsible for any airfare, hotel or other costs incurred.

8:00 am  Registration and Continental Breakfast

8:45  Introduction
Howard B. Ginsburg, MD
William F. and Virginia Connolly Mitty Associate Professor of Pediatric Surgery

8:50  Overview
Keith A. Kuenzler, MD
Assistant Professor of Surgery

9:00  Prenatal Ultrasound Diagnosis and Evaluation
Ashley Roman, MD, MPH
Clinical Assistant Professor of Ob/Gyn

9:30  Antenatal Treatment of Thoracic Lesions
Mara Rosner, MD, MPH
Assistant Professor of Ob/Gyn

10:00  Delivery Planning
Mara Rosner, MD, MPH
Assistant Professor of Ob/Gyn

10:30  Coffee Break

10:45  Prenatal/Postnatal Imaging
Shailee V. Lala, MD
Assistant Professor of Radiology

11:15  Neonatal Considerations
Tara M. Randis, MD, MS
Assistant Professor of Pediatrics and Microbiology

11:45  Critical Care/ECMO
Arun Chopra, MD
Assistant Professor of Pediatrics

12:15 pm  Congenital Diaphragmatic Hernia
Jason C. Fisher, MD
Assistant Professor of Surgery

12:40  Lunch

1:40  Esophageal Atresia/TEF
Sandra Tomita, MD
Assistant Professor of Surgery

2:05  Congenital Pulmonary Airway Malformations
Keith A. Kuenzler, MD
Assistant Professor of Surgery

2:30  Minimally Invasive Surgery
Keith A. Kuenzler, MD
Assistant Professor of Surgery

2:55  Long-Term Airway Management
Scott M. Rickert, MD
Assistant Professor of Otolaryngology, Pediatrics and Plastic Surgery

3:25  Pediatric Surgery, Maternal Fetal Medicine, SALA Institute for Child & Family Centered Care
Jason C. Fisher, MD
Assistant Professor of Surgery
Mara Rosner, MD, MPH
Assistant Professor of Ob/Gyn

4:00 pm  Adjourn
