Course Description
Pediatric Rheumatology is one of the newest and smallest pediatric subspecialties. There are fewer than 250 pediatric rheumatologists in the United States, with several states lacking even a single pediatric rheumatologist. Many general pediatricians and adult rheumatologists must, therefore, have sufficient training to diagnose children with rheumatic disease. Promoting increased awareness is essential for treating a rheumatic disease earlier in order to minimize damage and improve patient outcomes. This unique course will focus on closing the gap between clinical experience and practice through expert lectures and a question and answer portion. The program will include a ½-day conference followed by an expert panel. The intended audience includes general pediatricians, pediatric subspecialists, adult rheumatologists, as well as trainees including house staff, fellows and medical students. There is no other course like this being offered in New York State, and few, if any, in the country. This year’s program includes new topics given by world-renowned experts.

Target Audience
General pediatricians, nurse practitioners, pediatric subspecialists, pediatric rheumatologists, adult rheumatologists and trainees (including medical students, residents and fellows) are the target audience.

Educational Objectives
At the conclusion of this activity, participants should be able to:

- Recognize the symptoms of Juvenile Dermatomyositis in their patients despite the variable disease severity and manifestations
- Appropriately assess for and diagnose Common Variable Immunodeficiency Disorder (CVID)
- Diagnose and treat Lyme Disease
- Describe the variable cutaneous manifestations of rheumatic disease
- Develop an appropriate differential diagnosis of back pain, as well as initial work up which may include labs, imaging and sub-specialty referral

Accreditation Statement
The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
The NYU Post-Graduate Medical School designates this live activity for a maximum of 3.50 AMA PRA Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
The NYU Post-Graduate Medical School adheres to ACCME accreditation requirements and policies, including the Standards for Commercial Support regarding industry support of continuing medical education. In order to resolve any identified conflicts of interest, disclosure information is provided during the planning process to ensure resolution of any identified conflicts. Disclosure of faculty and commercial relationships, as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty, will be fully noted at the meeting.
