

Leadership and Faculty

Our laboratory leadership and faculty include experts in the field of cardiovascular digital health.

John A. Dodson, MD, MPH

Director, Cardiovascular Digital Health Laboratory
Associate Professor, Departments of Medicine and
Population Health

Samrachana Adhikari, PhD

Statistician, Cardiovascular Digital Health Laboratory
Assistant Professor, Department of Population Health

Research Team

Our staff members include the following:

Stephanie Pena, MS
Senior Research Coordinator

Stefany de Brito
Research Coordinator

Riley McConnell, MPH
Research Coordinator

Ayanna Horsford
Research Coordinator

Research Team

Our staff members include the following:

Michelle Rojas
Research Coordinator

Victoria Rosado
Associate Research Coordinator

Yuchen Meng, MA
Data Analyst

Ashwini Varghese, MPH
Data Analyst

Research Collaborators

Our multidisciplinary group of research collaborators includes the following:

Saul B. Blecker, MD

Associate Professor, Departments of Medicine and Population Health, NYU Grossman School of Medicine

Research interests: machine learning, electronic health records, and cardiovascular risk prediction

Melanie R. Jay, MD

Associate Professor, Departments of Medicine and Population Health, NYU Grossman School of Medicine

Research interests: cardiometabolic risk and technology-assisted health coaching

David Mann, MD

Senior Director, Informatics Innovation, NYU Langone's MCIT
Associate Professor, Departments of Medicine and Population Health, NYU Grossman School of Medicine

Research interests: digital health and clinical informatics

Rajesh Ranganath, PhD

Assistant Professor, Department of Computer Science, NYU Courant Institute of Mathematical Science

Research interests: machine learning and cardiovascular risk prediction

Safiya Richardson, MD, MPH

Assistant Professor, Departments of Medicine and Population Health, NYU Grossman School of Medicine

Research interests: behavioral economics and clinical decision support

Research Collaborators

Our multidisciplinary group of research collaborators includes the following:

John Ross Rizzo, MD

The Ilse Melamid Associate Professor of Rehabilitation Medicine, Department of Rehabilitation; and Associate Professor, Department of Neurology; NYU Grossman School of Medicine
Research interests: assistive technologies and wearables

Antoinette M. Schoenthaler, EdD

Associate Professor, Departments of Medicine and Population Health, NYU Grossman School of Medicine
Research interests: behavioral science, medication adherence, and cardiovascular risk reduction

Archana Saxena, MD

Health Physician Informaticist, NYU Langone's MCIT
Clinical Instructor, Department of Medicine, NYU Grossman School of Medicine
Research interests: clinical informatics

Adam H. Skolnick, MD

Associate Professor, Department of Medicine, NYU Grossman School of Medicine
Research interests: telehealth and novel cardiovascular diagnostics

Adam C. Szerencsy, DO

Clinical Assistant Professor, Department of Medicine, NYU Grossman School of Medicine
Research interests: digital health and clinical informatics

Research Collaborators

Our multidisciplinary group of research collaborators includes the following:

Paul A. Testa, MD

Chief Medical Information Officer, NYU Langone's MCIT
Assistant Professor, Ronald O. Perelman Department of
Emergency Medicine, NYU Grossman School of Medicine
Research interests: digital health and clinical

Gregory J. Sweeney, PT, DPT, CCS

Clinical Instructor, Department of Rehabilitation Medicine at
NYU Grossman School of Medicine

Students

Jeff Zhang
Associate Data Science Analyst / Engineer
MCIT Department of Health Informatics, Division of
applied AI technology

Swathi Jacob
Medical student (SUNY Upstate Medical University)

Shreya Kamojjala
Medical student (NYU Grossman School of Medicine)

Aileen Chalen
NYU undergraduate

Alumni

Camila Johaneck
Research Coordinator

Yasmin Gutierrez
Research Coordinator

Kelly Tellez
Research Coordinator

Shama Banik
Research Coordinator

Claire Graves
Medical Student (NYU Grossman School of Medicine)

Katherine Stone
Medical Student (NYU Grossman School of Medicine)

Elianna Shwayder
Medical Student (NYU Grossman School of Medicine)
