Meet the current residents and recent alumni of the
Department of Neurology's combined residency program in
Neurology and Psychiatry

Psychiatry Neurology Residents

Class of 2028

Jordan Intrator, MD

Hometown: Woodmere, NY
Medical school: Hackensack Meridian School of Medicine
Areas of interest: Neuropsychiatry, Neuro-modulation, Neuro developmental disorders, movement disorders, mood disorders, Neuro-psychopharmacology, medical education.
Hobbies: Meditation, running, basketball, following my favorite sports teams, spending time with friends and family.

Victor Demetrio, MD

Hometown: Windermere, FL
Medical school: Liberty University College of Osteopathic Medicine, United States of America
Areas of interest: Neuropsychiatry
Hobbies: I enjoy spending most of my free time outdoors, whether it is running, hiking, swimming, or relaxing. I am an avid reader and writer, having written over 300 poems in my lifetime along with prose and short-stories, some of which have been published. I like to dive deep into topics of interest, ranging from philosophy to art. I am currently working on a fictional novel that incorporates many of these interests. I have maintained a daily mindfulness meditation practice for years, which is important to me.

David Zhen, MD

Hometown: Rhode Island
Medical school: Perelman School of Medicine
Areas of interest: Neuro-psychiatry, Neuro-modulation, Forensic Psychiatry, and Cognitive Neuroscience of music.
Hobbies: Include seeing comedy shows and live music, he is also a musician (Jazz pianist and music producer).
