

# BRAIN DAY

**CELEBRATE WHAT MAKES  
THE BRAIN FASCINATING!**

**Tuesday, March 13  
2:00pm–5:00pm  
NYU Langone Health  
550 First Avenue at 32nd Street**

## **NYU Langone Community Brain Fair**

**Farkas Auditorium Breezeway • 2:00pm–5:00pm**

Explore the brain with NYU Langone Health neuroscientists as your guides! Participate in hands-on activities, see real brains, learn more about diseases of the brain, and find out more about cutting-edge research at NYU Langone Health.

**To register a large group for a tour or to enter to win door prizes, visit:  
<https://nyubrainfair2018.eventbrite.com>**

## **Successful Aging & Your Brain**

**Alumni Hall B • 2:00pm–4:00pm**

Join a panel of experts from the Center for Cognitive Neurology for a discussion about memory, brain health issues, and keeping your brain young.
