PICNIC 2024

Pediatric Intensive, Cardiac, and Neonatal Intensive Care
Collaborative Conference

Friday, November 8, 2024 • 8:45 am to 3:30 pm

Our in-person conference is designed to promote the importance of multidisciplinary collaboration and to understand the need for standardization or individualization, as appropriate, of key practice principles across neonatal, cardiac and pediatric intensive care units (ICUs).

This year's topics include:

To High Frequency and Beyond: Advanced Ventilation Strategies

- Howard Heiman, MD: Northwell Health
- Alexandre Rotta, MD: Duke University
- Tarif Choudhury, MD: Columbia University

Artificial Intelligence: Will we still have jobs in 5 years?

- Alvaro Moreira, MD, MSc: UT Health San Antonio
- Avishek Choudhury, PhD: West Virginia University

Keynote: The Evolution of Transplant Medicine in Pediatrics

- Tomoaki Kato, MD: Columbia University
-
