## Testimonials

“It was a wonderful experience. I love when [the students] can apply the real world to their academic knowledge. I will absolutely be in touch again.”

-Dr. Jennifer Zinman, Teacher at Lacordaire Academy

“Thanks for volunteering your time to come visit to educate our members. The presentation was well executed! Some of the members are still talking about it today.”

-Program Supervisor at Older Adult Center

“I really like the [workshop]...as it really did explain the importance of vaccines as well as the stigma about it in a way that was easier to understand compared to other sources I've heard from.”

-Vaccine workshop attendee

“[G1T] just gave an amazing presentation to my Science Research class on vaccines.”

-Mary Ann Spicijaric, Teacher at Leman Preparatory School

“It was truly a wonderful experience for me. The audience was engaged and seemed genuinely interested.”

-Teresa Herrera, Population Health Doctoral student and G1T volunteer
