COURSE DESCRIPTION
Dermatology is a rapidly evolving specialty, with new advances in medical, surgical and cosmetic dermatology made every year. This two-day program will educate practitioners with an interest in the care of persons with skin disorders with current therapeutic options and treatment guidelines as taught by an experienced faculty. It will focus on newly emerging clinically applicable knowledge, ranging from new guidelines to recognition of emerging agents and adverse events to translational research regarding the best approaches to management of patients in order to receive the best quality of care and outcomes for patients suffering from both common and uncommon dermatologic conditions.

EDUCATIONAL OBJECTIVES
After participating in this activity, clinicians should be able to:
• Identify best applications of new topical and systemic therapies for acne, rosacea, psoriasis and eczema and acquire detailed descriptions of side effect profiles that can be shared with the patients so the clinician can safely deploy new treatments with more confidence
• Communicate with patients algorithmically in a tiered approach for their specific problem
• Utilize dermoscopy and trichoscopy to diagnose skin, hair and scalp disease

TARGET AUDIENCE
Dermatologists, nurse practitioners, physician assistants, residents, fellows and medical students

LOCATION
NYU Langone Health
Alumni Hall
550 First Avenue
New York, NY 10016

COURSE FEES
Full: $495
Reduced*: $395
Residents and Fellows: $25
* Reduced fee applies to physicians-in-training, physicians employed by the Department of Veterans Affairs Medical Center, full-time active military personnel, and retired physicians.
Please note: This course is eligible for NYU School of Medicine Alumni discount.

REGISTRATION
nyulmc.org/dermatologycme

After 12 pm on June 5, 2018, only onsite registration is available, provided the course has not reached capacity. Onsite registrants will incur an additional $20 charge. We cannot accept telephone or email registration. Registration is non-transferable.

ELECTRONIC SYLLABUS
Course syllabus will only be distributed electronically. A link will be sent the week of the course where you can view, download or print course information and presentations in advance. This link will also allow you to view the course syllabus on your smartphone, tablet, or laptop during the course. Course presentations remain available for one year after the course.

REFUND POLICY
In order to request a refund, you must email cme@nyumc.org no later than 7 days prior to the first day of the course. An administrative fee of $75 will be deducted from your refund. Cancellations or no-shows after this date are not eligible for a refund. Fax and email cancellations are not accepted.

COURSE CANCELLATION POLICY
If a course is cancelled due to inclement weather, insufficient enrollment, or any other reason, NYU PGMS will refund registration fees in full. NYU PGMS will provide at least two weeks’ advance notice if cancelling due to insufficient enrollment and as soon as possible in all other circumstances. NYU PGMS is not responsible for any airfare, hotel, or other non-cancellable costs incurred by the registrant.
