Dear Medical Student,

The Medical Student Health Service welcomes you to the New York University Grossman School of Medicine. We are open throughout the year to provide a variety of services to all medical students. The Student Activity Fee included in your tuition covers the cost of care received at the Student Health Service, and you will be eligible for our services once your school year begins.

Our preadmission health requirements are listed below. All required health forms are included in this file and must be completed and received by our office no later than Friday, June 25, 2021. Please note these are preadmission requirements and cannot be done at SHS. Please contact us as soon as possible if you are having a difficult time completing your requirements.

Please share this page with your physician

Preadmission Requirements (all items below are required):

1. To be completed electronically by the incoming student:
   - Medical history, identity questionnaire and MyChart registration.
     - By approximately June 1, 2021, a MyChart activation link will be sent to the e-mail address you provided to Admissions. Click on the link and register your account by completing the demographics fields.
     - Find and complete the mandatory Medical History form (part 1 & 2), & Identity questionnaire in your MyChart account virtual appointment.
   - SHS patient Consent Form, Baseline TB Risk Assessment, & TB Symptom Screen – completed and signed by the student, sent to SHS via email attachment in PDF format (other formats will not be accepted):

2. All items to be completed by your physician and returned to the NYU Grossman School of Medicine Student Health Service by postal mail, email, or fax*. Email is preferred.
   *Please retain the original hard copies, as you may be asked to provide them later.
     - Mailing address: NYU School of Medicine Student Health Service, 334 East 25th Street, Apt. 103, New York, NY, 10010 Fax: 212-263-3280
     - E-mail (only PDF format will be accepted): studenthealthservice@nyulangone.org
   A. Physical exam, within the past 6 months, to be done by your Health Care Provider.
      Immunization record completed and signed by your Health Care Provider. The requirements include:
      a. Two MMR vaccines
      b. Adult Diphtheria/Tetanus/Pertussis (Tdap) vaccine after the age of 16 and within the past 10 (ten) years
      c. Three Hepatitis B Vaccines
      d. Menactra or Menevo (meningococcal) vaccine after the age of 16
      e. Two Varicella vaccines (if applicable)
      f. A IGRA blood test for tuberculosis (Quantiferon Gold or T-Spot), must be from May 2021 or later
      g. COVID-19 Vaccine Documentation
   B. Blood work: (Copies of original lab reports are required, must include name, DOB, lab info & reference ranges)
      a. CBC and fasting lipid panel (done January 2021 or later)
      b. Quantiferon Gold or T-Spot TB test (done May 2021 or later)
      c. Blood titers indicating immunity to: (done 2015 or later)
         i. Rubeola/Measles IgG
         ii. Rubella IgG
         iii. Mumps IgG
         iv. Varicella IgG
         v. Hepatitis B titers - three parts (Must Include: 1) HB surface antibody (this test result must include quantitative value), 2) HB surface antigen & 3) HB core antibody total]

We look forward to meeting you! Please email us with any questions.

Sincerely,
NYU Grossman SOM Medical Student Health Service Team

*Please attach titer reports for Rubeola, Mumps, Rubella, Varicella, & Hepatitis B, a Quantiferon or T-Spot TB test, and a CBC & fasting lipid panel, see instruction page for specific testing requirements.

Return all forms to Student Health Service at the above address, email or fax (email preferred). 4/13/2021
MEDICAL STUDENT HEALTH SERVICE

Patient Consent

PERMISSION FOR MEDICAL TREATMENT:
I hereby authorize the Student Health Service of New York University, Grossman School of Medicine to administer care and treatment. Such care may include evaluation and treatment of injuries and illnesses and the administration of medication orally or by injection. I also give permission to the Student Health Service to secure proper treatment for me, in case of medical or surgical emergency, if according to their best professional judgment; further delay might jeopardize my welfare.

Upon request, I may have HIV testing done at SHS. Testing is voluntary. The law protects the confidentiality of HIV test results and other related information. The law also prohibits discrimination based on an individual’s HIV status. This consent for HIV testing will remain in effect while I am a student at NYU Grossman School of Medicine, unless I revoke it either orally or in writing. I am aware that:

- HIV is the virus that causes AIDS and can be transmitted through unprotected sex (vaginal, anal, or oral sex) with someone who has HIV; contact with blood as in sharing needles (piercing, tattooing, drug equipment); by HIV-infected pregnant women to their infants during pregnancy or delivery; or while breast feeding.
- There are treatments for HIV/AIDS that can help an individual stay healthy.
- Individuals with AIDS can adopt safe practices to protect uninfected persons from acquiring HIV and infected people from acquiring additional strains of HIV.
- Anonymous testing is available at a public testing center.

PRIVACY AND CONFIDENTIALITY OF MEDICAL RECORDS:
The Student Health Service maintains the student’s medical record on EPIC, the electronic medical record used at NYU Langone Health. In order to maintain your confidentiality, we have the ability to chart your encounter in a subsection of the Epic record that may only be accessed by Student Health Service providers. The only information that will be visible to other providers within NYU Langone Health is a record of your allergies, medications and laboratory results. Your health records are protected by the Family Education and Privacy Act (FERPA), as well.

PERMISSION FOR RELEASE OF INFORMATION:
I hereby authorize the Student Health Service to disclose my health information in the following limited circumstances:

- Providing health care to me. For example, the Student Health Service may share health information with individuals who provide or assist in the coordination or management of my health care.
- Providing immunization records and/or laboratory test results only, for clinical rotations in the various clinical sites.

I understand that I will need to provide additional written consent to have my medical records released under any other circumstances.

Sign below to indicate the following:
I have read and understand the Treatment Consent and Medical Records Policies above.
