

Requirements for Graduation

Four-Year Pathway

In addition to the successful completion of all pre-clerkship coursework and the core clerkships, students must also complete:

- Two four-week selectives
- Twenty weeks of elective time (in addition to selectives), eight weeks of which must be outside your anticipated area of specialty.
- One twelve-week concentration
- Four-week sub-internship (choice of Medicine, Surgery or Pediatrics)
- Four-week Critical Care Clerkship
- Students must also pass the CCSE, Step I, and Step II (CS & CK) exams
- Night on Call

Three-Year Pathway

In addition to the successful completion of all pre-clerkship coursework and the core clerkships, students must also complete:

- One four-week selective
- Ten weeks of electives
- Four-week sub-internship (choice of Medicine, Surgery or Pediatrics)
- Four-week Critical Care Clerkship
- Students must also pass the CCSE, Step I, and Step II (CS & CK) exams
- Night on Call

Five-Year (Research) Pathway

In addition to the successful completion of all pre-clerkship coursework and the core clerkships, students must also complete:

- Two four-week selectives
- Thirty-two weeks of elective time (in addition to Selectives), twelve weeks of which must be outside your anticipated area of specialty.
- Four-week sub-internship (choice of Medicine, Surgery or Pediatrics)
- Four-week Critical Care Clerkship
- Students must also pass the CCSE, Step I, and Step II (CS & CK) exams
- Night on Call

Requirements for Graduation

Dual Degree Pathways

The graduation requirements will vary depending on the Dual Degree the student is enrolled in. Please check with either the Office of Student Affairs, or the Office of Registration & Student Records, for program-specific information.
