Building the Bridges of Generalism: Partnering to Improve Health
SGIM 37th Annual Meeting
April 23-26, 2014
Manchester Grand Hyatt Hotel
San Diego, California
Congratulations to our faculty, fellows, residents, and medical students who will present their work at the Society of General Internal Medicine’s 37th Annual Meeting.

These presentations reflect our ongoing work in clinical care, medical education, and research, aimed to improve individual and population health, and prepare 21st century clinicians, educators and researchers.

We invite you to these presentations.

Sincerely,

Sondra Zabar, MD
