COURSE DESCRIPTION
This comprehensive, two-day course will provide the most complete update available for clinical neurology across its many established and emerging sub-specialties. Both established and emerging therapies and diagnostic approaches will be addressed by the expert lecturers and panelists/discussants in this course. Areas not covered by many other neurology courses, including global neurology, sports neurology and neuro-ICU, will be focused on in-depth by the diverse and knowledgeable course faculty from the rapidly growing NYU School of Medicine Department of Neurology.

TARGET AUDIENCE
Neurologists; specialists in related fields such as internal medicine, pediatrics, rehabilitation medicine and psychiatry; and health care professionals from all backgrounds involved in the diagnosis and management of neurological disease (nurses, nurse practitioners, physician assistants, physical/occupational therapists, athletic trainers, optometrists)

ACCREDITATION STATEMENT
The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
The NYU Post-Graduate Medical School designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE STATEMENT
The NYU Post-Graduate Medical School adheres to ACCME accreditation requirements and policies, including the Standards for Commercial Support regarding industry support of continuing medical education. In order to resolve any identified conflicts of interest, disclosure information is provided during the planning process to ensure resolution of any identified conflicts. Disclosure of faculty and commercial relationships, as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty, will be fully noted at the meeting.

COURSE FEES
Full Fee: $450
Reduced Fee*: $250
NYU Faculty and Staff: $200 (must provide valid NYU ID)

*Reduced fee applies to NYU School of Medicine alumni, former residents and fellows; physicians employed by the Department of Veterans Affairs Medical Center; full-time active military personnel; nurse practitioners; retired physicians; and all other non-physician healthcare professionals.

REGISTRATION
Register online at: http://cme.med.nyu.edu/neurology

After 12 pm on December 16, 2014, only onsite registration is available, provided the course has not reached capacity. Onsite registrants will incur an additional $20 charge and will receive a receipt by email in 1–2 weeks. Registration is non-transferable.

If you have any questions, please contact our office at 212-263-5295 or cme@nyumc.org.

REFUND POLICY
In order to request a refund, you must complete and submit our online refund form no later than 14 days prior to the first day of the course. An administrative fee of $75 will be deducted from your refund. Cancellations or no-shows after this date are not eligible for a refund. Fax and email cancellations are not accepted.
THURSDAY, DECEMBER 18, 2014

7:30 am  Registration and Continental Breakfast

Contemporary Neuro-Ophthalmology

8:00  Neuro-Ophthalmic Emergencies
Steven L. Galetta, MD

8:30  Approach to Afferent Visual Loss
Floyd A. Warren, MD

9:00  Eye Movement Abnormalities and Double Vision
Janet C. Rucker, MD

What's New in Multiple Sclerosis?

9:30  Disease Modifying Therapies: Past, Present and Future
Jonathan E. Howard, MD

10:00  Cases that Are Not Exactly MS: NMO and Other Mimickers
Joseph Herbert, MD
Ilya Kister, MD
Lana Zhovtis Ryerson, MD

10:30  Coffee Break

Epilepsy

11:00  Contemporary Treatment of Epilepsy: What the Trials Tell Us
Jacqueline A. French, MD

11:30  Diagnosing Epilepsy: Which Tests and When?
Orrin Devinsky, MD

12:00 pm  Evidence-Based Approach to Considering Epilepsy Surgery
Daniel Friedman, MD, MSCI

12:30  Lunch (on your own)

Parkinson's Disease and Autonomic Disorders

1:30  Parkinson's Disease: Treatment Meets Technology
Alessandro Di Rocco, MD

2:00  Case Studies in Parkinson's Disease
Miroslaw S. Brys, MD, PhD
Rebecca M. Gilbert, MD, PhD
Melissa J. Nirenberg, MD, PhD

2:30  Autonomic Dysfunction in Parkinson's Disease: Common and Manageable
Horacio Kaufmann, MD

3:00  Coffee Break

Cognitive Neurology Update

3:30  What if We Had a Vaccine for Alzheimer's Disease?
Thomas M. Wisniewski, MD

4:00  Pre-Clinical and Clinical Dementia Diagnostics
Martin J. Sadowski, MD, PhD

4:30  Case Studies in Cognitive Neurology
Jori E. Fleisher, MD, MSCE
James E. Galvin, MD, MPH

5:00 pm  Adjourn

FRIDAY, DECEMBER 19, 2014

7:30 am  Registration and Continental Breakfast

Stroke and Neuro-Intensive Care

8:00  The Immediate Future: Acute Management of Stroke
Albert S. Favate, MD
Koto Ishida, MD

8:30  The Future of Immediacy: When a Neuro-ICU is Best for Your Patient
Aaron S. Lord, MD

Sports Neurology

9:00  Sports-Related Concussion Update
Laura J. Balcer, MD, MSCE

9:30  Case Studies in Sports Neurology: It's Not All About Concussion
Brian W. Hainline, MD

10:00  Heads Up! — The Ethical Challenges of Concussion in Sports
Arthur L. Caplan, PhD

10:30  Coffee Break

Neuroimaging

11:00  New MRI Techniques and How They Can Help Your Practice
Yvonne W. Lui, MD

Pediatric Neurology and Neurogenetics

11:30  Genetic Testing: What the Neurologist Needs to Know
Heather A. Lau, MD

12:00 pm  Case Studies in Pediatric Neurology
Sandra L. Forem, MD
John T. Wells, MD

12:30  Lunch (on your own)

General Neurology

1:30  What's New in the Management of Headache?
Katherine A. Henry, MD, MEd

2:00  Botulinum Toxin and Beyond: Even More Help for Headaches
Myrna I. Cardiel, MD

2:30  Common Cases in General Neurology
Arielle Kurzweil, MD
Mia T. Minen, MD, MPH
Harold J. Weinberg, MD

Neuromuscular Disease

3:00  Approach to Peripheral Neuropathy
Howard W. Sander, MD

3:30  Approach to Myopathies
Ricardo H. Roda, MD, PhD

4:00  Challenging Cases in Neuromuscular Disease
Jaydeep M. Bhatt, MD

4:30 pm  Adjourn
NYU Clinical Neurology Update
Approaches for 2014 and Beyond

Thursday – Friday
December 18 – 19, 2014
New York, NY
