

BSL-2 Cell Sorting Facility at Bellevue Hospital

Our BSL-2 facility is located at Bellevue Hospital, in the C&D building. Take the 'C' (★) elevators to the 6th floor and make a right. The core is located in rooms 643, 645, and 647.

Access to 24-hour instruments in room 647 can be granted by email to Cytometry@med.nyu.edu.
